Form 990 Part III Line 4a - Meals on Wheels of Albuquerque

Meals on Wheels of Albuquerque was founded in 1972 by a group of women from Presbyterian Churches around Albuquerque. We began with 20 clients and 40

Employer identification number

85-0307043

Today we serve approximately 1200 clients and have over 500 volunteers. We delivered 9,400 meals in 1972. Today we are delivering almost 160,000 meals a year. Meals on Wheels of Albuquerque provides nutritious meals and crucial social contact each day. Not only do we provide friendship and compassion, but we also check the well-being of those we serve. Meals on Wheels of Albuquerque is the only home delivered meal program in our area preparing eight different types of special diets. We prepare these special diets for a variety of needs, including diabetes, renal failure, heart issues, chewing and swallowing problems, etc. Through grants, donations, and the support of the community, we started the Low-Income Food & Enrichment (LIFE) Program. This program is for those meeting the federal government's defined poverty level and who require a special diet due to health issues. Our program is currently the only one of its kind in the Albuquerque metro area. We provide our services to anyone of any age. There are no restrictions for age or disability. We currently have clients in their 20's to our oldest client who just celebrated her 109th birthday. We can provide meals for any duration whether they are needed during a period of recuperation or for many years.

In addition to delivering food and friendship, we also deliver a number of other value-added services including:

o Pet Services: provides healthy food and more to our clients' pets. Having a pet is proven to ease depression and relieve feelings of isolation—something many of our clients struggle with daily. Services include food, veterinary care, and mobile grooming. Many of our clients are home-bound. Visits from our volunteers serve as a source of contact for clients. Beyond this friendship, pets also provide companionship and joy. We often see clients sharing their meals with pets. This results in poor nutrition for our clients and their pets. Our pet program aims to eliminate this problem.

o Weekend Pantry Box: This service allows our low income clients to eat food on days we normally don't deliver. This collaboration between Silver Horizons and Roadrunner Food Bank provides us small boxes of shelf stable, non-perishable items that are delivered to our clients once a month. These boxes include items like crackers, pudding cups, microwavable meals and more. We are grateful to Silver Horizons and Roadrunner Food Bank and thank them for their partnership.

o Local Harvest: Meals on Wheels of Albuquerque is purchasing locally farmed fruits and vegetables and locally made items for use in our meals. This allows us to support local farmers, our economy, and the environment while providing our clients with fresh and healthy produce that they would be unable to obtain on their own. The goal of the local food movement is to create thriving community-based food systems that will make high quality, local food available to everyone—including our homebound clients. Purchasing locally farmed or produced items: supports the local economy; allows clients to eat fresh, local produce; keeps donations in the community; exposes clients to new and different foods; helps build sustainable food systems; and provides the healthiest, freshest food possible to our clients.
